Howard King

King Holmes Paterno & Berliner

Dr. Dre's longtime lawyer faced a unique challenge when the rap mogul wanted to stage a hologram performance by **Tupac Shakur** at this year's Coachella festival. "Our job was to clear the compositions and use of the master recordings," notes King, "as well as negotiate the multiple vendor contracts required to implement Dre's vision." King also successfully voided pop star

Kesha's contract with a former manager and settled a case over the failure to fund a **Wesley Snipes** movie that included epositions on three continents.

→ My first client Russian actor **Alexander Godunov**. "The only

preparation he needed for a deposition or settlement meeting was a cold bottle of vodka."
