Litigation

Howard King

King Holmes Paterno & Berliner

UCLA School of Law

Why he matters: Dr. Dre's long-time lawyer won an endurance war this year representing *Dog the Bounty Hunter* co-executive producer **Boris Krutonog**. After six years of litigation with **Duane "Dog" Chapman** in various courts and labor forums in New York, California and Hawaii, King extracted a favorable multimillion-dollar settlement on a claim over profits from the show just weeks before a jury trial was to begin.

Key case: King successfully defended Latin rock star **Juanes** against a \$10 million claim by his former manager. He remembers a deposition in Peru:

"During Juanes' cross-examination, he drew a picture. The other attorney asked he show it. I was nervous because I had no idea what he had written. Turned out to be a doodle of a woman and unrelated to the case."
